Dear Candidate,

You have been invited to take the assessment "**ML-AI C2 Course 1 & 2 - 9th Sept**". The duration of this test is **105 Minutes**.

Please click on the button given below to check your system compatibility before starting the test.

CHECK SYSTEM COMPATIBILITY

Please click on the button given below to start the test.

START TEST

RULES AND REGULATIONS

1. We recommend using latest version of Google Chrome or Mozilla Firefox for seamless experience.
2. Before starting the test, please close all chat windows, screen-saver, etc.
3. Ensure to have a stable internet connection for uninterrupted test experience.
4. Do not press "F5" during the test at any time as doing so will cause your test to finish abruptly.
5. On the registration page, you shall be required to enter **correct email address** to start the test. In case if you are not entering email address in correct format you shall get a notification "**Email address is not authorized for this test**".
6. You must keep a valid photo ID (attached during registration) handy before you start and during the test.
7. For the authorization process you have to follow the below steps.

-- **First you have to capture you own snapshot and remember that the snapshot must be clearly visible.**

-- **Secondly you have to capture the snapshot of a Govt. Id card in such a way so that the the name and the photo on the id card should be clearly visible.**

-- **Post submission of your own snapshot and your Govt. photo ID card, the proctor will authorize you to start the test if he is satisfied with the snapshots. In case he does not allow, you need to ensure that the snapshot captured is clear and you have an alternated Govt. photo Id card to resubmit.**

-- **We request you to be patient and be cooperative as this is an extremely important process.**

As soon as the proctor authorizes you, your assessment will start and timer will begin

-- Once the test is started , toggling between the windows is not allowed for any reason. -- Switching windows for any reason may terminate your test.

-- You are not allowed to move away from your seat during the test.

-- You are not allowed to use mobile phones, calculators or other devices during the test.

- Please ensure all other software/applications that might cause pop ups are turned off.
- You will not be provided with any extra timing for the restroom breaks, it will be part of an aggregate time provided for an assessment.
- Please ensure that you are not running / attempt to start any remote access software before or during the test. As this will automatically close your test browser.
- You are not allowed to connect any extended screen/projector along with the system being used during the test.
- No one should be sitting/standing near you during the test.
- There should be sufficient light in the room you choose to take the test from.
- Please ensure you are the only person in the room during the test and there is no disturbance. At any point of time during the test, you can be asked by the proctor through Chat, to turn your Laptop/Webcam to show your surroundings.

If you have any technical issues during the test, you can call for help at Mettl's support help-desk at +91- 8287803040

MALPRACTICE CODE

Be careful, this test is remotely invigilated by a proctor. If you do not adhere the instructions, rules and regulations, the invigilator has a right to end your test.

Any violation of the above, would prompt **UpGrad and IIIT - B** to cancel your test and take necessary disciplinary action.

By taking this test, you agree that you abide by all the terms and conditions of the **UpGrad and IIIT - B** online test regulations.

You will be monitored via webcam while taking the test. Please make sure that your webcam is connected and functional.

All the best!

Regards,
UpGrad and IIIT - B
